RE: Simkova v. City of Newark et al.
Civil Action No.: 2:13-cv-01264

Dear Hon. Judge Hayden:

Please ignore document 22 that I filed today. I accidentally mislabeled and filed a letter meant for another case. The letter I intended to file was filed as document 23. Additionally, after I filed the letter requesting an extension of time to oppose, I received a call from Deputy Attorney General, Robert Murphy, Esq. He has consented to my request to file our opposition by August 28, 2013.

Respectfully Submitted,
